

Decatur Public School District #61

JOHNS HILL

Magnet School

1: futures workshop ^{JHMS}

Johns Hill Magnet School

3: ideation JHMS

True bilingual programming.
More languages offered

Quality Performance Spaces

Storage Spaces made for music

Practice Rooms (university quality)

HANDS ON science!

lab More space for dissection chemistry Robotics #coding

Chess Club

Math inspirational Problem Solving Creative thinking

Safe outdoor play spaces

Office by entrance to building easier to find

* Suzuki lessons allow young students to experience music Strings AND Piano

Technology in the classrooms makes it easier to access more forms of learning

Safe and highly accessible for running space for track & field. We have no equipment or space for Shot put, Pole vault, & Discus.

larger gym to share/host more sports

Sharing spontaneous experiences across grade levels is part of the joy of arts integration Spaces need to allow for movement & flexibility

- large artroom - access to more art forms: - pottery, canvas painting, woodcarving, etc.

Dance & Creative Movement

Open drama to more students (start a drama club)

Space that reflects our communities encourages sharing/celebrating the rich cultures at JHS

starting a garden - bringing nature into the classroom

Video Production & Digital Arts

Engineering & Design Challenges

* Murals are an important part of our history! (Library) Also let students design & decorate in new building.
