BOARD ACTION: _____

Operational Services

Facility Management and Building Programs

The Superintendent or designee shall manage the District's facilities and grounds as well as facility construction and building programs in accordance with the law, the standards set forth in this policy, and other applicable School Board policies. The Superintendent or designee shall facilitate: (1) inspections of schools by the Regional Superintendent and State Fire Marshal or designee, (2) review of plans and specifications for future construction or alterations of a school if requested by the relevant municipality, county (if applicable), or fire protection district, and (3) compliance with the 10-year safety survey process required by the School Code.

Standards for Managing Buildings and Grounds

All District buildings and grounds shall be adequately maintained in order to provide an appropriate, safe, and energy efficient physical environment for learning and teaching. The Superintendent or designee shall provide the Board with periodic reports on maintenance data and projected maintenance needs that include cost analysis. Vacant school buildings that are the sole property of the district, and have not been repurposed for future use, will be demolished within 3 years of its vacancy. Prior Board approval is needed for all renovations, demolition, or permanent alterations to buildings or grounds when the total cost will exceed \$25,000, including the cost equivalent of staff time. This policy is not intended to discourage efforts to improve the appearance of buildings or grounds that are consistent with the designated use of those buildings and grounds.

Standards for Green Cleaning

For each District school with 50 or more students, the Superintendent or designee shall establish and supervise a green cleaning program that complies with the guidelines established by the Illinois Green Government Coordinating Council.

Standards for Facility Construction and Building Programs

As appropriate, the Board will authorize a comprehensive study to determine the need for facility construction and expansion. On an annual basis, the Superintendent or designee shall provide the Board with projected facility needs, enrollment trends, and other data impacting facility use. Board approval is needed for all new facility construction and expansion.

When making decisions pertaining to design and construction of school facilities, the Board will confer with members of the staff and community, the Illinois State Board of Education, and educational and architectural consultants, as it deems appropriate. The Board's facility goals are to:

1. Design buildings for sufficient flexibility to permit new or modified programs which drive student achievement and accommodate restorative practices.
2. With input from teachers and building staff, base educational specifications for school buildings on identifiable student needs.
3. Meet or exceed all safety requirements and requirements on the accessibility of school facilities to disabled persons as specified in state and federal law.
4. Provide for low maintenance costs, energy efficiency and minimal environmental impact.

5. Develop and implement a communication plan that tells the story to the community about the intention of design, respects the input of stakeholders and their ownership in the process.
6. Meet requirements on the accessibility of school facilities to disabled persons as specified in State and federal law.
7. Provide for low maintenance costs, energy efficiency, and minimal environmental impact.

Naming Buildings and Facilities

Recognizing that the name for a school building, facility, or ground or field reflects on its public image, the Board's primary consideration will be to select a name that enhances the credibility and stature of the school or facility. Any request to name or rename an existing facility should be submitted to the Board. When a facility is to be named or renamed, the Board President will appoint a special committee to consider nominations and make a recommendation, along with supporting rationale, to the Board. The Board will make the final selection.

Educational Support Personnel

Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement, the administrative and administrative support handbook, or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Full or part-time educational support personnel who work at least 600 hours per year receive 10 paid sick leave days per year. Part-time employees will receive leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 180 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent and/or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or as the Board, Superintendent, or designee deem necessary in other cases, the Board, Superintendent or designee may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) a licensed advanced practice registered nurse, (4) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board, Superintendent, or designee requires a certificate during a leave of less than 3 days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement, and need to be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent or designee may require that the employee provide evidence that the formal adoption or foster care process is underway.

Vacation

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

<u>Length of Employment</u>		<u>Monthly Accumulation</u>	<u>Maximum Vacation Leave Earned Per Year</u>
<u>From:</u>	<u>To:</u>		
Beginning of year 2	End of year 5	0.83 Days	10 Days per year
Beginning of year 6	End of year 15	1.25 Days	15 Days per year
Beginning of year 16	End of year	1.67 Days	20 Days per year

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent or designee will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing the District to schedule school on a legal school holiday listed below, District employees will not be required to work on:

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave

Full-time educational support personnel have one paid personal leave day per year. The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, a personal leave request should be submitted to the Building Principal three days before the requested date.

Students

Student Assignment and Intra-District Transfers

Attendance Areas

The School District is divided into school attendance areas. The Superintendent or designee will:

1. Review the boundary lines annually and recommend to the School Board any changes or revisions for existing units; or
2. Create new units using a lens that considers preventing segregation and the elimination of separating students in the District's schools because of color, race, or nationality.

The Superintendent or designee shall maintain a map of the District showing current school attendance areas. All records pertaining to the creation, alteration, or revision of attendance units are open to the public. Homeless children shall be assigned according to Board policy 6:140, *Education of Homeless Children*.

The magnet schools (~~e.g., American Dreamer STEM Academy, Montessori Academy for Peace and Johns Hill~~) incorporate the entire district as the attendance boundary and are assigned by a lottery process. Families that enter the lottery for one of the district's magnet schools, and have been selected for enrollment, will remain in the magnet school for the duration of their continued DPS 61 education career. For example, if a student enters a K-8 magnet school at a pre-K 3, he/she will remain there through 8th grade if the parent/guardian(s) completes the Intent to Return Form each year. The completed form is needed to identify how many vacant seats will be available for incoming students.

Incoming siblings of a magnet student will need to complete the same initial lottery process for entry into the magnet school of choice but will be given priority over other applicants. Lottery application is needed as seats may not be available for all siblings that apply. Those siblings that are not enrolled in the magnet school of choice will be put on the wait list and will have priority over others on the wait list. *There must be room in the grade requested to be placed at any magnet school of choice.* Once siblings have been enrolled, all siblings will remain at the magnet school of choice for the duration of their continued DPS 61 education career. Again, at the end of each school year, the family will need to complete the Intent to Return Form for all siblings.

Exceptions

Students that display gross disruptive behaviors, after appropriate interventions have been provided, may have their magnet status revoked, and placed in his/her home attendance center immediately. The family would have to reapply the following school year and be selected through the traditional lottery process. There will be no exception.

Families that leave the magnet school of choice or move out of DPS 61 boundary will need to reapply through the traditional lottery process. There will be no exception.

High Mobility Area (Stabilization Plan)

~~The High Mobility Area is defined as Garfield Avenue on the north, 22nd Street on the East, Illinois Highway 48 on the west, and the Decatur Lake on the South. In order to provide Stabilization to the kindergarten through grade eight students as well as their respective schools, students residing in this High Mobility Area and move within the High Mobility Area over the course of the school year shall remain in their respective school of origin for the remainder of the school year. Respective students that fulfill the minimum requirements for transportation will be afforded transportation at no charge. Students outside of the above parameters are highly encouraged to remain in their school of origin.~~

Transfers Within the District

A student's parent(s)/guardian(s) may request a transfer for their child to a District school other than the one assigned. A request should be directed to the Superintendent or designee, who, at his or her sole discretion, may grant the request when the parent(s)/guardian(s) demonstrate that the student could be better accommodated at another school and, provided space is available. If a request is granted, the parent/guardian shall be responsible for transportation to and from school and to and from activities. The provisions in this section have no applicability to transfers pursuant to the Unsafe School Choice Option covered in Board policy 4:170, *Safety*.

Class Assignments

The Superintendent or designee shall assign students to classes.

LEGAL REF.: 105 ILCS, 5/10-21.3, 5/10-21.3a and 5/10-22.5.

(OER) in the Humanities in Class Digital Library. Our own Art Teacher Merry Lanker, Stephen Decatur Middle School, was selected and offered a scholarship to attend this institute. Congratulations Ms. Lanker!

- Principal for a Day:
 - Assistant Superintendent of P12 Teaching and Learning Jeff Dase shared information regarding the 2nd Annual Principal for a Day. This will take place on Tuesday, February 28th from 8:00am to 11:00am followed by a luncheon at 11:30am. The purpose is for others to interact in our buildings. This is open to community member, business leaders and Board Members. If interested, please contact Sherri Carroll at scarroll@dps61.org. The theme this year is, "Representation Matters."

Public Participation

President Taylor noted that during Public Participation, the Board of Education asked for the following:

Information only.

- Identify oneself and be brief.
- Comments should be limited to 3 minutes.
- Any public comments submitted to the Board Secretary will be included in the record.

For our listening audience, please note that during any Board of Education meeting and public participation, Board Members do NOT respond and/or comment to public comments; ALL COMMENTS ARE REFERRED TO ADMINISTRATION.

Furthermore, the Board refrains from referring to specific students or staff members by name, and requests that public commenters refrain from doing so as well. The request that you omit names was made to protect you from allegations of libel or slander or from violations of the Illinois School Student Records Act. It was not intended to shield an employee from criticism.

The Board Secretary noted that a public comment from Maggie Potempa will be added to record with the January 24, 2023 Open Session minutes.

Zameshia Bobbitt, DPS Parent, spoke to the Board regarding how her daughters at JHMS are COVID kindergartners and struggling with their grades. The impression of the Extended Day Program was to work on homework daily; however, that was not happening at JHMS. She met with the teacher and it was stated that students were not working on instruction that they were currently struggling with in Extended Day. There was a breakdown in communication between Extended Day and the classroom teachers. Extended Day staff should be able to spot struggling students. She asked if the Extended Day Program could be re-assessed and tweaked to meet the needs of the students. Let's make our District a "Destination District" in real time instead of on paper.

Leara Evans, Retired SpEd Teacher, spoke to the Board regarding a rumor of a letter that was written by the K-12 principals complaining about their supervisor of unrealistic expectations. There was also a rumor that the Superintendent and the

TOPIC	DISCUSSION	ACTION
Public Participation Continued	<p>Board of Education were going to make changes to Mr. Dase's position by calling it a lateral move; all lateral moves were not equal even if the pay remains the same. Teaching and Learning is the core of the School District and to move laterally from that position was a demotion. Mr. Dase was hired through the HYA Search Firm by the previous Board to find someone with experience in improving student achievement. Mr. Dase's record stands for itself. If Mr. Dase was not performing, per his contract, then the abuse and slander need to stop. There were seven black administrators that left DPS in the last two years and some were flourishing and recognized in their current positions. Racial equality and equity have been a problem in this District. Why can't this district retain black staff? President Andrew Taylor had conversations regarding Fred Spannaus returning to the Board of Education. This was true as no other candidates were contacted or interviewed. The Board of Education continues to violate their own policies. How do you expect others to do right? When will the district do right for our students?</p> <p>Datrice Weathers spoke to the Board and noted that she was one of the candidates running for School Board. She thanked Mr. Fred Spannaus for coming back and that she was fully emerged into the community. She was a current educator in the District. Mrs. Evans spoke on racial equality and equity and how it does not represent those in our schools; this was another reason she was running for School Board. She wanted to put a face with her name with our community and the School Board.</p>	Information only.
Student Ambassadors	<p>Student Ambassador A'Zharien Perry shared the following regarding EHS:</p> <ul style="list-style-type: none"> • Students were receiving job opportunities and acceptance letters at the college level; this information could also be found on the EHS Counselor's Facebook page. • There were financial literacy workshops for students in the Prep Academy. • Students had the opportunity to tour Caterpillar (CAT). • There is a band showcase on March 2nd. • They were awarded a \$10k Team Nutrition Grant for students in Ag to develop recipes for food in IL. Board Discussion	<p>Dr. Collins-Brown asked for clarification on why there was a snow day and not an e-learning day. Superintendent Clark replied that it was just a judgement call. Mr. Scheider noted that there were no classes. Superintendent Clark replied no classes and it was just a traditional snow day. Vice President Dion noted that it was based on the current amount of snow received. Superintendent Clark replied there was a large amount. Dr. Collins-Brown stated that he did not understand why it was not an e-learning day. Superintendent Clark replied that it was just a judgement call and she felt it should have been a snow day based on what we were predicted to receive. It will only be for one day and roads should be clear by Thursday. A decision would be different every time as there were many factors to consider. We gather our information and try to make the best decision for all.</p>	Information only.

Board Discussion Continued	<p>Mr. Scheider noted that they received a letter regarding the preparation for e-learning days. He asked what has been done as it relates to what staff needs to do to prepare for an e-learning day, especially for new staff.</p> <p>President Taylor asked for statistics on who was actually participated (logged-in) during an e-learning day.</p> <p>Vice President Dion asked about the waiver that was signed in order to use e-learning days. Maria Robertson, Director of Community Engagement, replied that this was the last year of a three-year waiver. If the District continued with e-learning days after the third year of the waiver, it would have to be approved by the Board of Education and submitted to the Regional Office of Education (ROE). The waiver still gives you the option of using snow days versus e-learning days.</p> <p>Superintendent Clark reiterated that the Board asked for stats on e-learning and what was sent to staff regarding e-learning.</p>	Information only.
Reports from Administration	<p>For the record, the report on the New Decatur Public Schools District 61 Upcoming Website Launch was pulled from the January 24, 2023 Board of Education meeting agenda.</p> <p>President Taylor asked if anyone wanted any item pulled from the Consent Items to discuss and/or vote on separately. Subject: DPS District admin communication and leadership is unacceptable

Hello board -

Many of my DPS parent friends, DPS teacher friends, DPS school admin friends - we are close, talk a lot. We are all HIGHLY engaged, highly active in supporting our children, yet with our intentional role to feel like we are doing our best to support our kids, there is a common theme - our communication at both school level (**specifically** information that is top down from district administration) and district level (sent directly from district admin to staff and parents) is unacceptably delayed or insufficient. I often feel like with as much as I think I may know, I usually am getting information way too late and in still the dark. What is it like for parents who just aren't able to be as engaged as I try to be (or simply just don't even realize what they don't know)? This has been my experience since being with the district five years ago and has only gotten worse. At times it seems like there are improvements, but they are fleeting.

This is **beyond frustrating, unacceptable** and a sticking point for both groups alike. Beyond this, it seems as though district administration is extremely hyper/micro-involved, insultingly so, with teacher and school admin matters that school-level staff have become highly stressed (more than they already are) and the district administration duties seem to have been improperly executed, delayed or completely missing, inaccurate or insulting on delivery or lack thereof. This is perception and also directly involved party feedback.

Furthermore, more parents than you may realize are acutely aware of the effects of unrealistic and insulting administrative demands on our teachers and school administration and this is highly concerning. Parents are hearing of inappropriate expectations and threatening language towards our school staff at all levels, received from some specific district administration. Why is this so? Don't we get more bees with honey than vinegar? We must have some board-level awareness to this and transparency of such complaints (from teachers and school admin) directly being shared you. I'll bet that the few complaints that actually get filed are the tip of the iceberg for fear of retribution.

Something has got to give and we must hold our administration to higher standards and accountability FOR KINDNESS AND PROFESSIONALISM. Please raise our bar to MUCH higher levels and push this team to get their roles and responsibilities shored up and executed to an excellent level of integrity, kindness, professionalism, strategy and timeliness. This should be top priority. Foundation is key and we are sorely missing that.

The list of fallacies and delayed information is a list I frankly do NOT have time for. Kindly read this at the school board meeting tomorrow 1/24. I would be there to read in person however my work schedule is always until at least 6:30 on Tuesday evenings.

I'm always available to discuss matters that relate to supporting my children.

Gratefully, (mom of 2nd grader, 4th grader Montessori)

9. Counterparts.

This Agreement and any amendments thereto may be executed in any number of counterparts which taken together constitute a single instrument.

Section 2. Other Committees. Other committees not having and exercising the authority of the Board of Directors in the management of the Cooperative may be designated by a resolution adopted by a majority of the directors present at a meeting at which a quorum is present. Any member or outside consultant thereof may be removed by the person or persons authorized to appoint such member or outside consultant whenever in their judgment the best interests of the Cooperative shall be served by such removal.

Section 3. Funds. All funds of the Cooperative shall constitute public funds and shall be maintained within the treasury of agent or agents of the Cooperative as designated from time to time by the Board of Directors. Such funds shall be deposited to the credit of the Cooperative in such banks, trust companies, or other depositories as said member shall select and shall be subject to the deposit insurance and collateralization requirements applicable to the funds of said member.

ARTICLE XII

Withdrawal and Dissolution

Section 1. Withdrawal of Members. Any member may withdraw from the Cooperative at any time. Such member shall have no obligation to the Cooperative after withdrawal. Such withdrawal shall not affect the

legal status of the Cooperative unless such withdrawal leaves only one remaining member of the Cooperative, in which case such withdrawal shall be considered dissolution for the purposes of these Bylaws.

Section 2. Dissolution of Cooperative. BOARD ACTION: _____

NATIONAL PURCHASING COOPERATIVE INTERLOCAL PARTICIPATION AGREEMENT

This Interlocal Participation Agreement ("Agreement") is made and entered into on the date indicated below by and between The National Purchasing Cooperative ("Cooperative"), an administrative agency of cooperating local governments, acting on its own behalf and the behalf of all participating local governments, and the undersigned local government ("Cooperative Member").

I. RECITALS

WHEREAS, the National Purchasing Cooperative was formed on May 26, 2010, pursuant to MD. CODE ANN., STATE FIN. & PROC. § 13-110 (West 2009), and R.I.GEN.LAWS § 16-2-9.2 (2009); and

WHEREAS, the purpose of this Agreement is to facilitate compliance with state procurement requirements, to identify qualified vendors of commodities, goods and services, to relieve the burdens of the governmental purchasing function, and to realize the various potential economies, including administrative cost savings, for Cooperative Members;

NOW THEREFORE, in consideration of the mutual covenants, promises and obligations contained herein, the undersigned Cooperative Member and the Cooperative agree as follows.

II. TERMS AND CONDITIONS

1. **Adopt Organizational Interlocal Cooperation Agreement.** The Cooperative Member by the execution or acceptance of this Agreement hereby adopts and approves the Organizational Interlocal Agreement dated May 26, 2010, which agreement is incorporated herein by reference (and is available from the Cooperative upon request). The Organizational Interlocal Agreement established the Cooperative as an administrative agency of its collective participants, and Cooperative Member agrees to become a participant or additional party to that Organizational Interlocal Agreement.
2. **Term.** The initial term of this Agreement shall commence on the date it is executed by both parties and shall automatically renew for successive one-year terms unless sooner terminated in accordance with the provisions of this Agreement.
3. **Termination.**
 - (a) **By the Cooperative Member.** This Agreement may be terminated by the Cooperative Member at any time by thirty (30) days prior written notice to the Cooperative, provided any amounts owed to any vendor have been fully paid.

(b) **By the Cooperative.** The Cooperative may terminate this Agreement by:

(1) Giving ten (10) days notice by certified mail to the Cooperative Member if the Cooperative Member breaches this Agreement; or

(2) Giving thirty (30) days notice by certified mail to the Cooperative Member with or without cause.

(c) **Termination Procedure.** If the Cooperative Member terminates its participation under this Agreement or breaches this Agreement, or if the Cooperative terminates participation of the Cooperative Member, the Cooperative Member shall bear the full financial responsibility for all of its purchases made from vendors under or through this Agreement. The Cooperative may seek the whole amount due, if any, from the terminated Cooperative Member. In addition, the Cooperative Member agrees it will not be entitled to a distribution which may occur after the Cooperative Member terminates from the Cooperative.

4. **Payments by Cooperative Member.** The Cooperative Member will make timely payments to the vendor for the goods, materials and services received in accordance with the terms and conditions of the bid invitation, instructions, and all other applicable procurement documents. Payment for goods, materials and services and inspections and acceptance of goods, materials and services ordered by the procuring Cooperative Member shall be the exclusive obligation of the procuring Cooperative Member, and not the Cooperative. Furthermore, the Cooperative Member is solely responsible for negotiating and securing ancillary agreements from the vendor on such other terms and conditions, including provisions relating to insurance or bonding, that the Cooperative Member deems necessary or desirable under federal, state or local law, local policy or rule, or within its business judgment.
5. **Payments by Vendors.** The parties agree that the Cooperative will require payment from vendors which are selected to provide goods, materials or services to Cooperative Members. Cooperative Member agrees that these Vendor Fees fairly compensate the Cooperative for the services and functions performed under this Agreement and that these Vendor Fees enable the Cooperative to pay the administrative, endorsement, licensing, marketing, and other expenses involved in successfully operating a program of electronic commerce for the Cooperative Members. Further, Cooperative Member affirmatively disclaims any rights to such Vendor Fees, acknowledging all such fees are the property of the Cooperative. Similarly, in no event shall a Cooperative Member be responsible for payment of Vendor Fees.
6. **Distribution.** From time to time, and at the sole discretion of the Cooperative Board of Directors, the Cooperative may issue a distribution to Cooperative Members under a plan developed by the Cooperative Board of Directors. The Cooperative Member acknowledges that a distribution is never guaranteed and will depend on the overall financial condition of the Cooperative at the time of the distribution and the purchases made by the Cooperative Member.
7. **Administration.** The Cooperative may enter into contracts with others, including non-profit associations, for the administration, operation and sponsorship of the purchasing program provided by this Agreement. The Cooperative will provide reports, at least annually, to the Cooperative Member electronically or by

8. **BuyBoard®.** Cooperative Member will have a non-exclusive license to use the BuyBoard electronic purchasing application (BuyBoard) during the term of this Agreement. Cooperative Member acknowledges and agrees that the BuyBoard electronic application and trade name are owned by the Texas Association of School Boards, Inc., and that neither the Cooperative nor the Cooperative Member has any proprietary rights in the BuyBoard electronic application or trade name. The Cooperative Member will not attempt to resell, rent, or otherwise distribute any part of BuyBoard to any other party; nor will it attempt to modify the BuyBoard programs on the server or acquire the programming code. The Cooperative Member may not attempt to modify, adapt, translate, distribute, reverse engineer, decompile, or disassemble any component of the application. The Cooperative Member will use BuyBoard in accordance with instructions from the Cooperative (or its designee) and will discontinue use upon termination of participation in the Cooperative. The Cooperative Member will maintain equipment, software and conduct testing to operate the BuyBoard system at its own expense.

Any notice to or any agreements with the coordinator shall be binding upon the Cooperative Member. The Cooperative Member reserves the right to change the coordinator as needed by giving written notice to the Cooperative. Such notice is not effective until actually received by the Cooperative.

THE COOPERATIVE, ITS ENDORSERS, SPONSORS AND SERVICING CONTRACTORS, HEREBY DISCLAIM ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO ANY INFORMATION, PRODUCT OR SERVICE FURNISHED UNDER THIS AGREEMENT, INCLUDING WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

11. **Limitation of Liability.** Without waiver of the disclaimer or other limitation of liability in this Agreement, the parties agree that:

ADSA Trauma-Informed Therapy Programs

When would your project start OR when did it start?*

Brief Project Description*

The American Dreamer Trauma-Informed Therapy Program project has two focuses: Expressive Arts and Play/Sand Therapy. The program is designed to address the unique mental health needs of young students who may not respond to traditional talk therapies. Tactile therapies have the unique ability to calm and soothe children, while also allowing them a non-verbal way to process traumatic experiences.

Project purpose & narrative*

Why is this program a need in Macon County? How will this program directly address mental wellness?

Grant funds are being requested for a K-8 school-wide mental health program utilizing a combination of play and expressive arts therapy techniques. Our students are exhibiting extremely high stress levels and limited ability to express or process their emotions in a healthy way. Many students in Macon County are dealing with trauma resulting from a variety of triggers - return to in-person learning, post pandemic anxiety, grief and loss from family members dying, being incarcerated, removal by DCFS for alleged abuse/neglect and other serious difficulties. Research has shown that expressive arts and play therapy are highly effective with the K-8 population. Young children and adolescents greatly benefit from expressing their emotions through art and tactile play. Numerous studies confirm that these therapy modalities are as effective or in some cases more effective than talk therapy alone. When young children participate in Play Therapy with a mental health professional, they experience the freedom to "play out" their experience and process through play in a safe, one-on-one setting with a counselor/social worker. We believe that having age-appropriate therapy tools available will greatly elevate the services we currently provide to our students.

Expressive Arts

Mr. Antonio Burton has successfully implemented his expressive arts curriculum, Arts & Culture in several schools in Decatur School District 61. The Arts & Culture program explores different styles of art and examines how art has been used in society. Specifically, contemporary street art or graffiti art is explored as a form of expression and coping mechanism amongst oppressed populations and adolescents facing difficult circumstances. By examining the power of expressing themselves through art, Mr. Burton creates a curriculum and guides students through hands-on projects that harness the power of art as a form of expression and healthy coping.

The proposed expressive arts project that will be completed for American Dreamer STEM Academy is for the 7th and 8th grade students to create a mural for each of the bathrooms in the middle school and elementary wings of the building.

Play Therapy

In order to implement a play therapy option for our K-8 students, the social worker, Ms. Emily Bone and School Counselor, Mrs. Maya Fombelle are seeking grant funding for the purchase of play therapy and sand tray therapy sets. Play therapy allows children to non-verbally process traumatic events through tactile experiences within counselor-observed play. Play Therapy is an accepted and research-based method of counseling children as they move through these challenging circumstances. Play is a child's language and by

meeting young children in their world of play, they are able to process trauma and better cope in school and in their daily lives outside of school.

Requested amount of funding?*

What is your estimated total project cost?*

All projects benefitting from CFMC grant funding must adhere to the same regards.

Yes, the project complies with CFMC's non-discrimination policy

Illinois

What demographic area will be served under this project?*

K-8 / 86% students qualify for free/reduced price school lunch/ 71% African American;16% Caucasian; 9% 1 or more races; 1% Hispanic; 1% Native American

What is the approximate number of Macon County residents who will be served under this project?*

391

What are the measurable objectives of this project and how will you determine if they are met?*

The goal of introducing age-based therapies (play therapy and sand tray therapy)and expressive art therapies is to increase our student's coping skills and provide tools for them to find some relief from their stress and anxiety. Our hope is that this project will result in students being better able to function at school. The data we will use to determine effectiveness will be attendance, disciplinary incidents (classroom behavior) and academic progress. All of these items are tracked through our school operating system Skyward and will be documented via report with actual data.

What timeframe is necessary to evaluate your program's objective?*

12 months or less

4	Direct Expenditures	141,623,940	6,903,500	6,150,040		154,677,480
5	Difference	3,263,134	(135,500)	(1,891,840)	338,700	1,574,494
6	Estimated Fund Balance - June 30, 2022	13,051,965	1,077,330	2,036,909	5,900,571	22,066,775
7	Balanced budget, no deficit reduction plan is required.					
8	<i>A deficit reduction plan is required if the local board of education adopts (or amends) the 2021-22 school district budget in which the "operating funds" listed above result in direct revenues (line 9) being less than direct expenditures (line 19) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 81).</i>					
10	Note: The balance is determined using only the four funds listed above. That is, if the estimated ending fund balance is less than three times the deficit spending, the district must adopt and file with ISBE a deficit reduction plan to balance the shortfall within three years.					
12	<i>The School Code, Section 17-1 (105 ILCS 5/17-1) - If the 2020-2021 Annual Financial Report (AFR) reflects a deficit as defined above (page 36), then the school district shall adopt and submit a deficit reduction plan (found here on page 23-27) to ISBE within 30 days after acceptance of the AFR.</i>					
13	<i>The deficit reduction plan, if required, is developed using ISBE guidelines and format.</i>

Board of Education Decatur Public Schools District #61

Date: February 14, 2023	Subject: Award of Roofing Improvements for: Muffley Elementary – Base Bid Package A Parsons Elementary – Base Bid Package B
Initiated By: Kent Metzger, Director of Buildings and Grounds	Attachments: Bid Tabulation Letter and Form from BLDD Architects dated Feb. 6, 2023 and Email from Coleman & Associates
Reviewed By: Michael Curry, Chief Operating Officer	

BACKGROUND INFORMATION:

On an ongoing basis, the roofs of the DPS facilities have reached and/or exceed their serviceable lives. The DPS buildings and their associated roofs are critical assets to the educational process. As roof improvements are costly, DPS has opted to prioritize projects through a continuing effort to inventory and document the condition of roofs on all buildings. Prioritization will continue and additional roofing projects will be required in the future.

CURRENT CONSIDERATIONS:

Considering the various roofs throughout DPS, the priority projects included in this bid package dated January 9, 2023, included work at Muffley Elementary and Parsons Elementary Schools. B&G worked with BLDD Architects to develop bidding documents to improve the roofs on these buildings either partially or entirely. The bidding documents allowed to contractor to provide either Tremco Roofing and/or Garland Roofing products as both manufacturers provide high quality and comparable roofing systems. Contractors were considered which are qualified to install either, or both, of the manufacturer's systems. Bids were received from three (3) qualified roofing contractors. The lowest responsible bid was:

Base Bid Package A: Muffley Elementary – \$1,320,000.00 – Top Quality Roofing
Base Bid Package B: Parsons Elementary – \$273,300.00 - Top Quality Roofing

MBE considerations have been vetted by Coleman & Associates with their determination attached herein.

FINANCIAL CONSIDERATIONS:

Services covered by these bids will be paid for under Fund 60.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education accept and approve the bids as detailed above. The awarded amounts to Top Quality Roofing of Mt. Zion, IL will be \$1,320,000.00 for Muffley Elementary and \$273,300.00 for Parsons Elementary, respectively.

Good Faith Effort Evaluation (GFE) Committee Evaluation for Minority Business Enterprise (MBE) Goals

Period of GFE Review: February 2, 2023—February 6, 2023

Date of GFE Committee FINAL Recommendation: February 6, 2023

Good Faith Effort Committee Recommendation

Top Quality Roofing is recommended as the responsive and responsible low bidder who meets the aspirational minority business enterprise goal on **both** roofing bid packages. At bid opening Top Quality Roofing identified and submitted signed letters of intent to utilize a Woman Business Enterprise (WBE) vendor. Initial bid inspection prior to Good Faith Effort (GFE) review given utilization of a WBE on both bid packages created a situation that their bid risked being non-responsive given:

- a) the requirement to utilize Minority Business Enterprise (MBE) vendors to meet the MBE goal,
- b) availability of MBE vendors achieved through identification and outreach efforts and
- c) Top Quality Roofing being an experienced and long-term vendor to DPS #61

Bid Opening Outcome Analysis—Lowest to Highest

Good Faith Effort Evaluation (GFE) Committee Evaluation for Minority Business Enterprise (MBE) Goals

Period of GFE Review: February 2, 2023—February 6, 2023

Date of GFE Committee FINAL Recommendation: February 6, 2023

Discussion

Henson Robinson and Top Quality Roofing both stated that they had the understanding that a woman owned certified business qualifies as a minority owned business. Henson Robinson quoted Section 00 3102 Minority Business Enterprise Utilization, Article 1.5 Definitions, Item C stating that a woman owned business enterprise is a minority owned business enterprise. The section clearly states that a “Women Minority Owned Business Enterprise is a business concern which is at least 51 percent owned by one or more female minorities”. Minorities defined as being Black/African American, Hispanic, Asian American, or Native American—not Caucasian female.

Orally Top Quality Roofing explained they had discussions on pricing with an MBE vendor however felt the MBE vendor’s price was unacceptable. Top Quality Roofing during the request for submission of GFE documentation and before the 1-day post bid opening GFE deadline reached back out to a certified MBE supplier and changed their designation of a subcontractor to this MBE supplier. Top Quality Roofing listed the MBE supplier on both letters of intent for bid packages A and B along with valid MBE certification documentation.

During GFE review the sole bidder who initially tried to meet MBE goals on **both** bid packages was Henson Robinson. Henson Robinson provided MBE documentation that demonstrated solicitation of MBE vendors for the bid package where they ultimately selected a WBE. Henson-Robinson is considered a responsible bidder.

Kreiling Roofing Company is a responsible bidder for the single bid package for which they submitted a bid. Kreiling in their utilization plan identified two MBE vendors, however, had incorrectly submitted disadvantaged business enterprise (DBE) certification for one of the two MBE vendors. This was corrected during GFE review.

RE: Minority Business Enterprise (MBE) Goal Achievement—2023 Roofing Projects-E.J. Muffley and
Parsons Elementary Schools—226EX70.400

Dear Dr. Curry,

During the February 2, 2023 bid opening and subsequent bid scrub Top Quality Roofing submitted the lowest bid out of a total of three bids received. The minority business enterprise (MBE) goal established by Decatur Public School Board policy 4-61 is fifteen (15%). Top Quality Roofing met the District's aspirational MBE goal on E.J. Muffley and exceeded it on Parsons elementary schools.

At bid opening Top Quality Roofing's bid and Henson-Robinson's bid did not meet aspirational MBE goals. However, during the good faith effort (GFE) review Top Quality Roofing recognized they could meet the MBE goal using an MBE supplier. Appropriate documentation in the form of Letters of Intent and current and valid MBE certification was submitted to verify that the selected MBE supplier would be utilized on both roofing projects.

Given these facts and the review of the good faith effort committee, Top Quality Roofing is determined as the lowest responsive and responsible bidder and is eligible to move forward in the bid and award process.

Respectfully,

Fred Coleman III, Ph.D.

Initiated By: Kent Metzger, Director of Buildings and Grounds	Attachments: Quote from Dan Pilson Auto Center
Reviewed By: Dr. Michael Curry, Chief Operational Officer, and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

The Transportation Department seeks to add vehicles to safely transport supplies, equipment, materials and/or staff to support and maintain Decatur Public School's operations. The current fleet of vehicle is aging which requires frequent and reoccurring repairs. Purchase of this vehicle will allow us to upgrade the fleet to maintain safe and reliable vehicles for staff to support the educational mission of the Decatur Public Schools.

CURRENT CONSIDERATIONS:

New vehicle availability is extremely limited nationwide due to unprecedented supply chain and transportation issues. Accordingly, pre-owned vehicles are also difficult to obtain, and must be purchased with some urgency. B&G staff has been consulting with automotive dealerships to determine availability of new or pre-owned vehicles appropriately equipped to meet departmental needs. Illinois statute (105 ILCS 5/10-20.21), Section 10-20.21 Contracts., (a), allows for exception to the bidding process as detailed as follows: "(x) purchases of equipment previously owned by some entity other than the district itself." The Decatur Public Schools have received quotes for the following:

Dan Pilson Auto Center Mattoon, IL	2016 Ford F250 Regular Cab Pickup – 59,380 miles (VIN #1FTBF2B67GEB97766)	\$32,527.26

FINANCIAL CONSIDERATIONS:

Funding for this purchase will come from the Fund 20.

Board of Education Decatur Public Schools District #61

Date: February 14, 2023	Subject: Teacher Ready Participant Increase
Initiated By: Jason Fox, Director of Human Resources	Attachments: N/A
Reviewed By: Ashley Grayned, Executive Director of Innovative Programs, and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

Previously, the Board approved piloting the Teacher Ready program through Huron University with five long term substitutes as a way of increasing our teaching candidate pool and staff. During the application process for pilot candidates, the District received ten applications from long term substitutes. The district is asking for permission to increase the pilot from five slots to ten in order to capture all of the quality applicants that have applied thus far.

CURRENT CONSIDERATIONS:

There are currently 54 open teaching positions within the District and these applicants are serving as teachers in 10 of those positions. The District will be reducing the open positions by 18% with the hiring of these 10 individuals.

FINANCIAL CONSIDERATIONS:

This will increase the pilot cost from approximately \$30,000 to approximately \$60,000.

STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve this increase in Teacher Ready pilot slots as presented.

Board of Education Decatur Public Schools District #61

Date: February 14, 2023	Subject: Supplemental Partial Bond Abatement
Initiated By: Dr. Mike Curry, Chief Operations Officer	Attachments: <ul style="list-style-type: none">• Abatement Resolution• County Filing Certificates
Reviewed By: Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

Previously, the District issued General Obligation Refunding Bonds (Alternate Revenue Source) Series 2020C in the amount of \$59,755,000. Revenues collected from the \$0.01 County Sales Tax provide the alternate revenue to pay the debt service obligations for Calendar Year 2023 allowing the property taxes to be abated. A prior Board recommended a further abatement of \$0.02.

CURRENT CONSIDERATIONS:

Macon County has an obligation to levy property taxes for the Alternate Revenue Source bonds. To ensure that property taxes are not levied, the Board of Education files resolutions each year with the County to “abate” these taxes. The resolutions notify the County that adequate sales tax revenues are available to make the debt service payments. The District will abate a sum of taxes for the Series 2020c Series bonds in the amount of \$4,068,200. Any sitting Board has the authority to direct the Chief School Business Official to make additional abatements to the tax levy.

To ensure the County abates taxes for the debt service payments, resolutions must be approved by the Board and filed with Macon County on an annual basis. After approval of a resolution, the Board Secretary will sign the Certificate of Resolution; and the Resolution will be filed with Macon County along with the attached the Filing Certificate.

FINANCIAL CONSIDERATIONS:

The required Calendar Year 2022 payment for the 2020C Series of \$4,068,200 has been resolved. Any further abatement is supplemental and will come from a District operating fund.

STAFF RECOMMENDATION:

The Administration requests that the Board of Education carefully consider the resolution to supplementally abate 2022 taxes for the 2020C bond series as presented.

- Approval
